SECTION 3 SPECIAL TERMS AND CONDITIONS

I. HACCP REQUIREMENTS

The Board/SNP expects a Hazard Analysis Critical Control Point (HACCP) plan to be in place by potential vendors and their manufacturers. Prior to awarding the bid, the Board/SNP may require documentation verifying that a written HACCP plan is followed.

II. TRADE NAME, CHILD NUTRITION (CN) LABELS AND GRADE

- a) Bidders are required to list packer, manufacturer, manufacturer's code (item number) brand, where indicated on bid documents.
- b) When bidding house labels, Bidder is required to indicate packer name, packer location and product number.
- c) Grade must be listed for all food products.
- d) Upon request, the vendor shall submit CN labels; nutritional analysis sheets; ingredient lists; prep/cooking instructions; and reports indicating meat/meat alternates; breads; fruits; and vegetables to document compliance with specifications. All food items shall be properly labeled.

III. FOOD RELATED TERMS AND CONDITIONS

Inspection and testing: The contractor agrees to permit access to its facilities at reasonable times for inspection of the materials covered under this contract, and the contractor's facilities. The school district shall also have the right to test at its own cost the materials supplied under this contract.

Net container quantity: The minimum net quantity of all products in cans and jars shall be in accord with the Federal Food, Drug and Cosmetic Act. The individual specifications for standard of fill for the products as prescribed in 21 CFR shall be applied.

Product protection guarantees: School districts have "automatic" product protection recourse against suppliers for product safety. According to Federal regulations, the supplier whose name and address appear on the package is the responsible party. Contractors are expected to take immediate action to correct any situation in which product integrity is violated.

Quantities: The quantities indicated on the product list are based on previous year's purchases and are accurate to the best of our ability. However, Offerors must understand that the fact that a quantity is stated on an item does not constitute a guarantee to purchase any amount in excess of requirements.

Service Level: The contractor shall fill all original orders at a monthly average of 98% or above on the scheduled delivery day. The remaining 2% shall be delivered within 24 hours of the scheduled delivery day unless the school district agrees that the product will be reordered.

Brand identification: This is a qualified product specification. Bidders must bid on the specific name brand items requested. Deviations from this requirement will not be considered. When “Distributors Choice” is used in the approved brand column the distributor may offer a price on any brand. The brand on which the price is offered must be stated in the bid documents and cannot be changed during the effective period without the permission of the school district. When “Private Label” is used in the approved brand column the appropriate quality level of the private label included in the Corporate/Cooperative labeling chart in this document shall be bid. The vendor only needs to circle the word private label and the school district can be assured that the brand bid is the same as the chart.

Standards of identity: All products must conform to U.S. minimum standards of identity as authorized by the Food, Drug and Cosmetic Act and the supporting regulations in 21 CFR. Failure to comply places the contractor in violation of the contract with the school district as well as Federal law.

Unit price prevails: Where applicable, in the case of discrepancy between the unit price or rate and the extension of that unit price or rate, the unit price or rate shall govern.

Units of purchase: Whenever wholesale units of purchase are standardized, i.e., 6/#10, the bid unit is specified as case, box, etc. If case, bag or box is the bid unit, then the description will specify the exact pack. When a potential contractor wishes to quote a pack size which is different from the unit specified in the product description, a different size may be quoted, but the total quantity must be adjusted. The potential contractor shall always mark out the pack specified and insert the pack being bid. The adjustment shall be made in the total quantity. A change in the bid unit or cost per unit is not acceptable. On items where the bid unit is specified in other terms, a space will be provided for potential contractor to enter the pack of the item being quoted. The potential contractor must complete this space when provided. If the pack size is followed by the word “only” the potential contractor must bid on the pack specified.

Drained weights: Drained weight of "wet pack" items shall conform to good industry practices and the minimum requirements of the Federal Food, Drug and Cosmetics Act. The individual products shall conform to drained weights as prescribed in the individual specifications of each product in 21CFR. Except for whole tomatoes drained weight is not a factor in USDA grades.

Substitutions: If a contractor is temporarily out of stock of a particular item, an equal or superior product at an equal or lower price may be delivered, with prior approval of the school district. If a contractor is unable to deliver a product or an approved substitute product, the school district shall, in good faith and in its sole discretion, purchase a product of equal or greater quality from another source. The contractor shall pay the difference in the amount paid for the substituted product and the amount of the contracted price.

d) Prices will not include Federal Excise Tax or State Sales Tax.

e) The Board/SNP will make payment by the 15th of the following month for properly received goods and services after inspection and acceptance of the product by the Board/SNP. Advance billings are not allowed. Where partial delivery is made, invoice for such part shall be made upon delivery, and payment made by the 15th of the following month under conditions as above.

f) **Invoicing**

- 1. School of delivery.

VI. EVALUATION FACTORS

- a) Bids will be evaluated in accordance with the required specifications as listed in this IFB. At the Board/SNP's discretion, a bid may be eliminated from consideration for failure to comply with any required specification, depending on the nature and extent of non-compliance. In addition to meeting mandated specifications, bids will be evaluated for the ability of the Bidder to provide, in the Board/SNP's opinion, the best overall solution to meet the Board/SNP's specifications.
- b) The Board/SNP reserves the right to award a single contract for the total requirement of the IFB or award multiple contracts on a group or line item basis in any combination that best serves the interest of the Board/SNP.
